Present curriculum beneficial for you

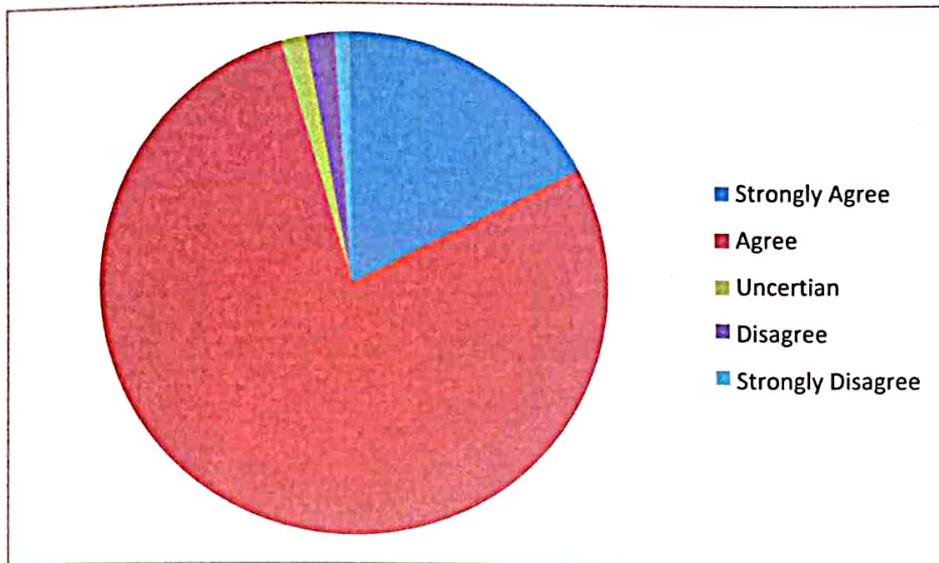

Does faculty integrate various teaching tools/resources/ICT for curriculum completion?

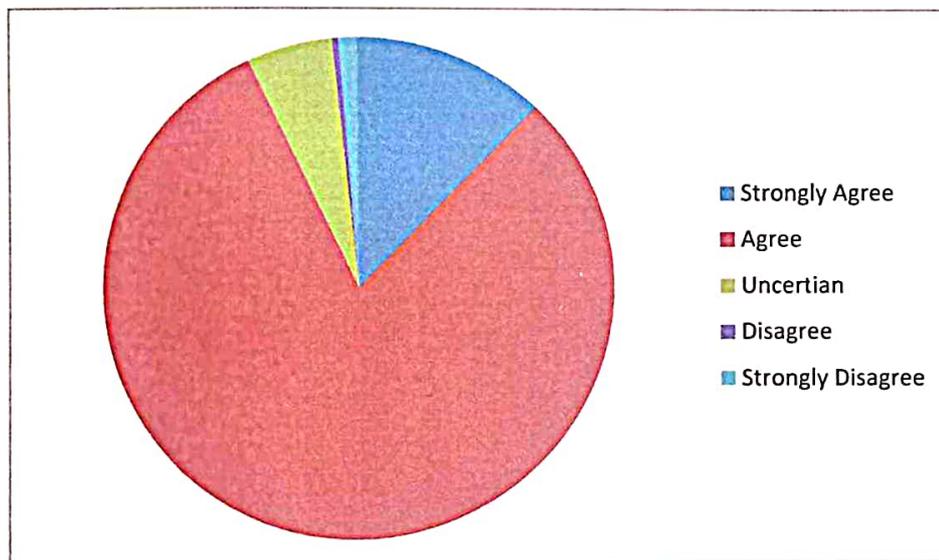

Sufficient number of reference books related to curriculum available in the library ?

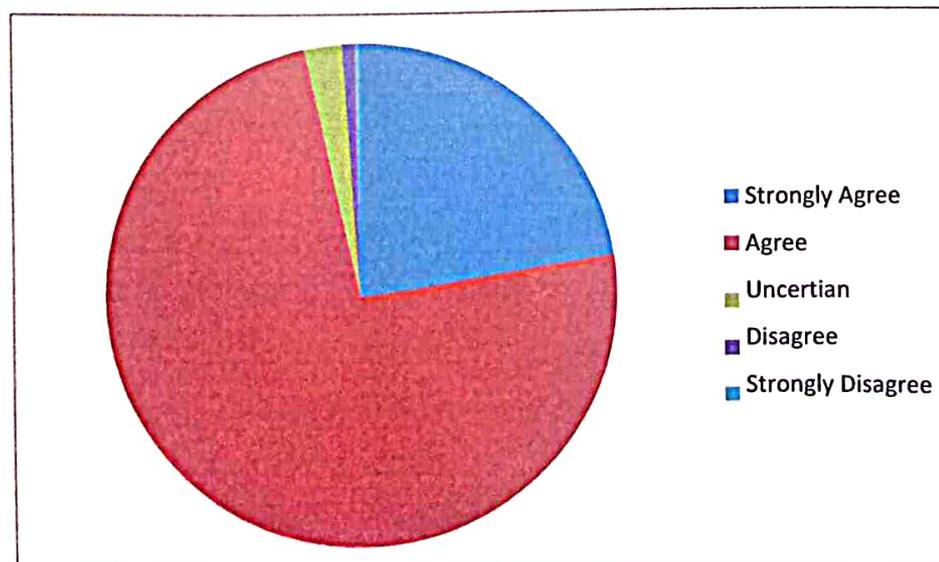

Did College serve a vital role in enhancing the students' lifelong knowledge?

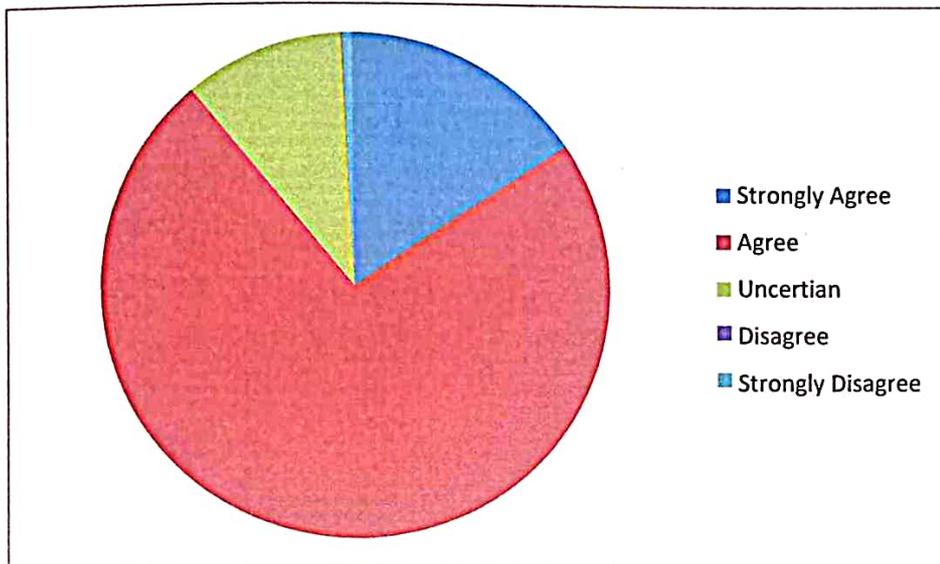

Are College activities a source of Personality Development for the students?

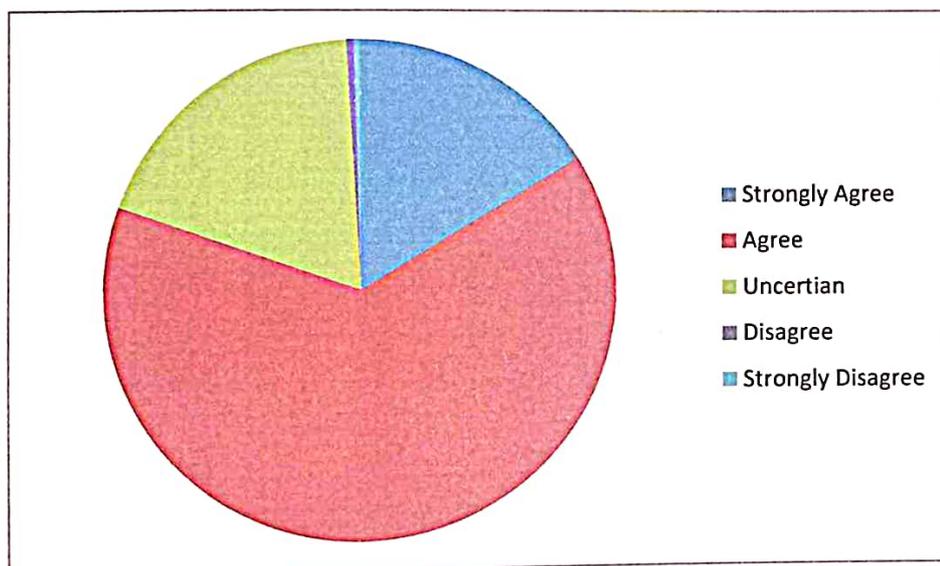

Internal evaluation completed in the college?

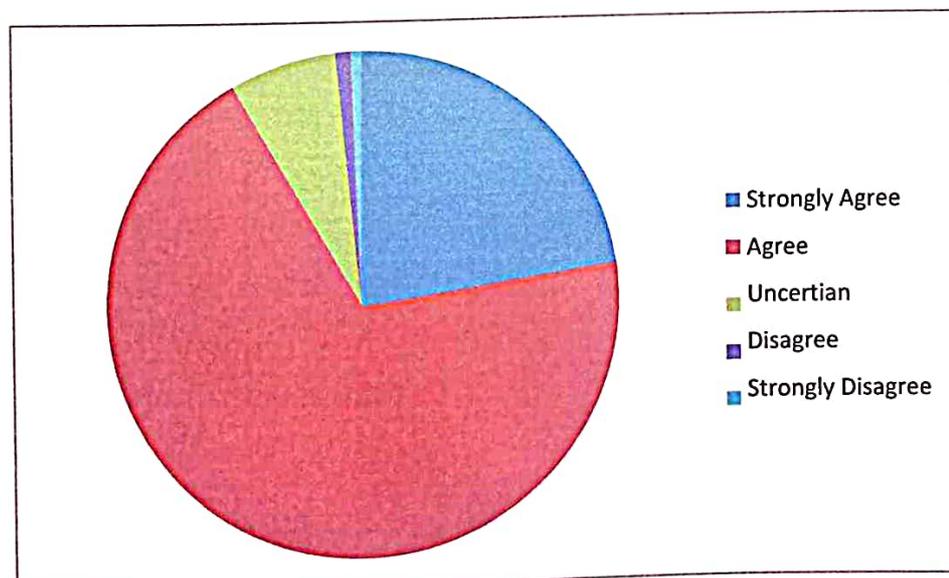

Participation of faculty in Mentoring and Motivating Students for Academic Development and Growth

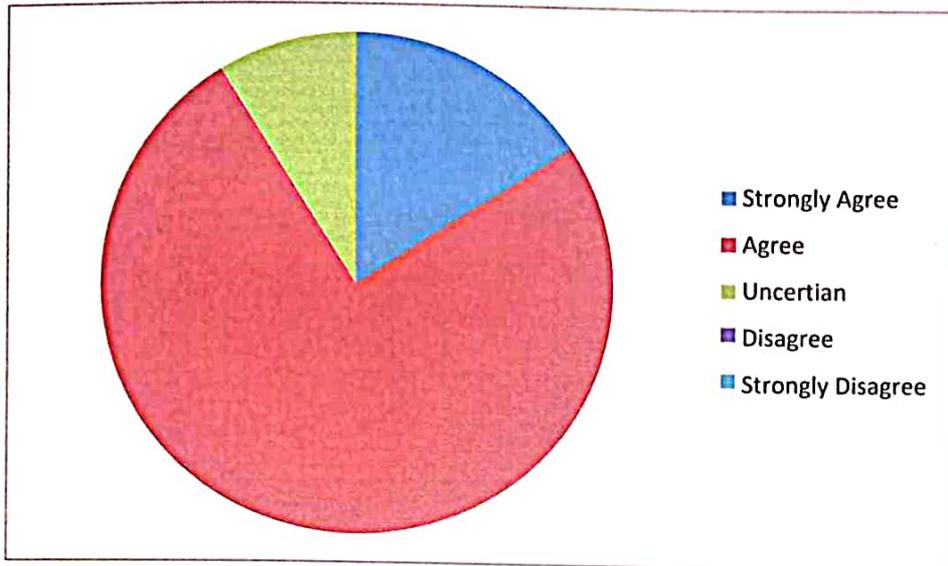

Participation of faculty in Linking Theory to Examples and Practices

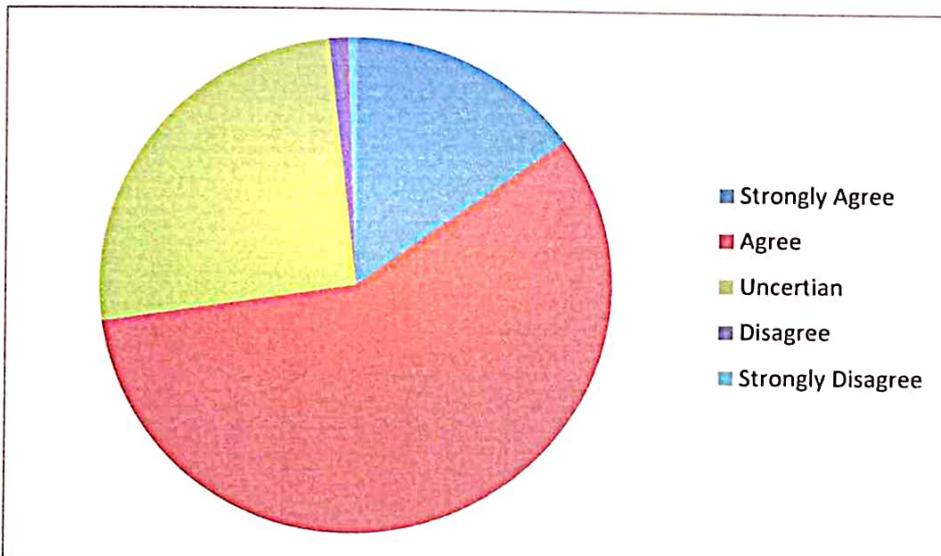

Overall Learning Experience with the faculty

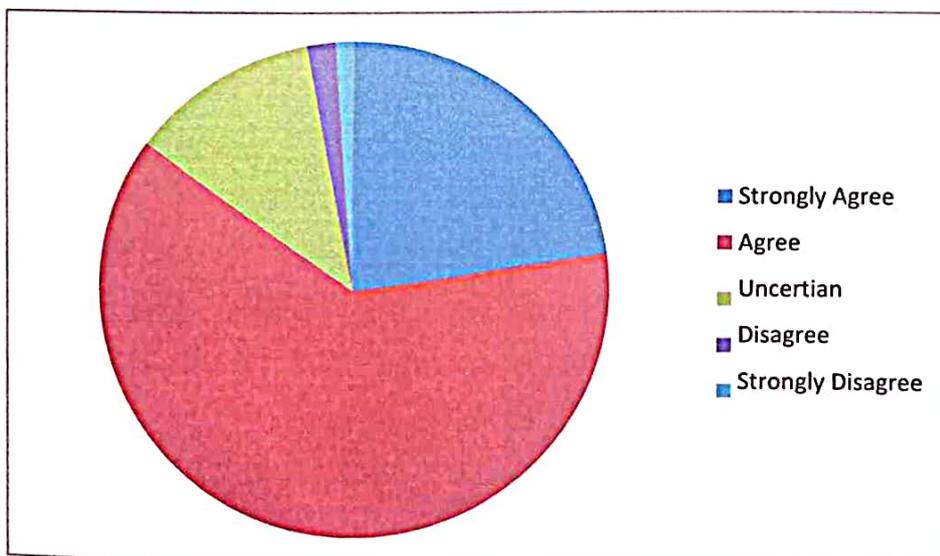

Institutes and teachers make efforts to include soft skills, life skills, and employability skills to prepare you for the world of work.

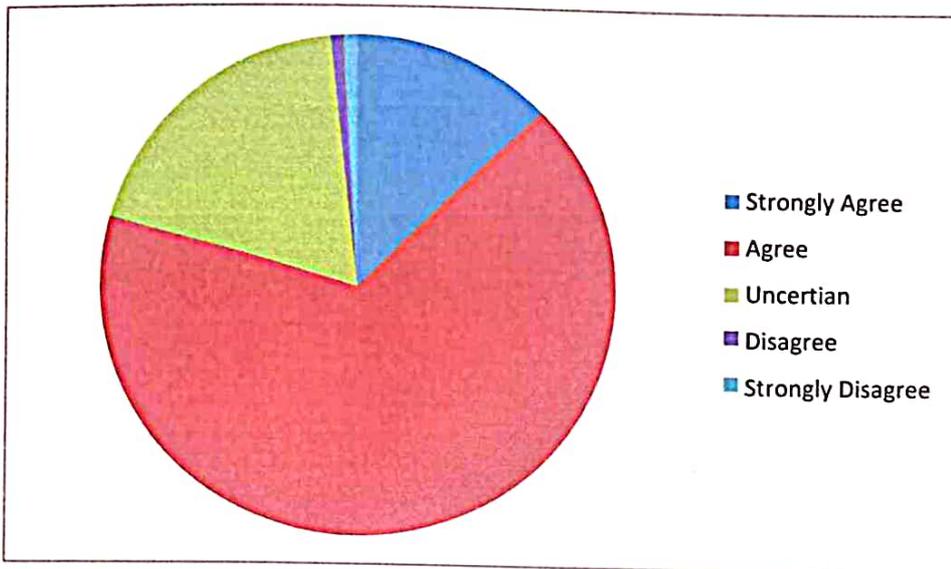

Mark your understanding of NSS Extension and Outreach

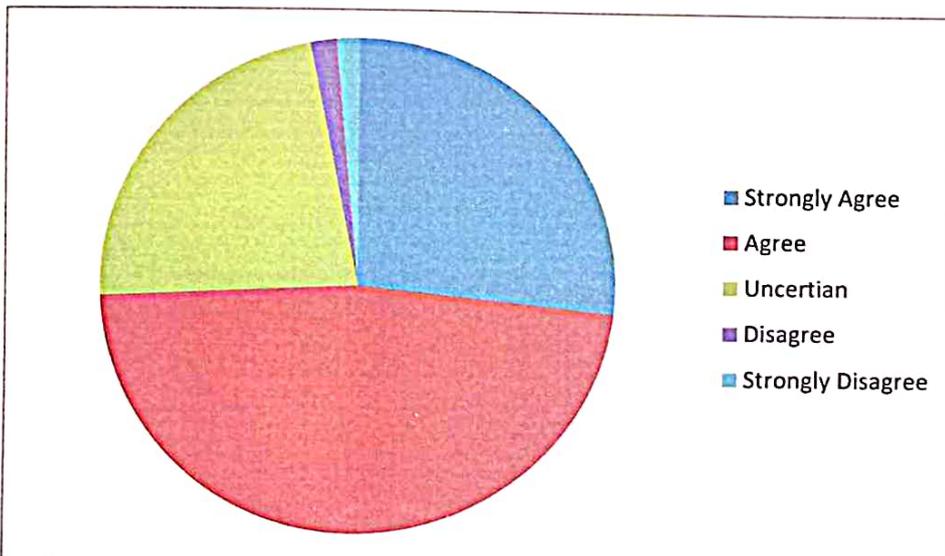

Mark your participation and learning about Seminars, Conferences, and Workshops.

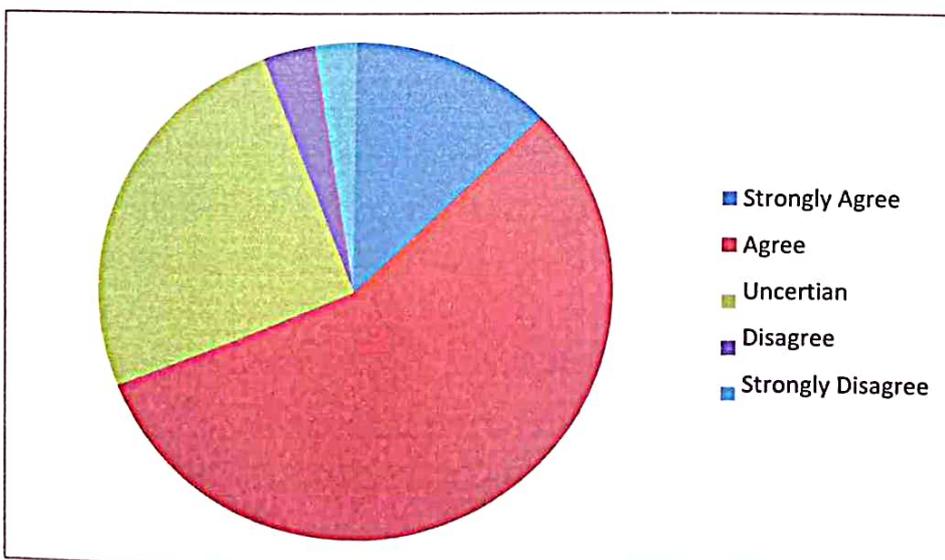

Mark your participation and learning experiences with Special Lectures / Guest Lectures

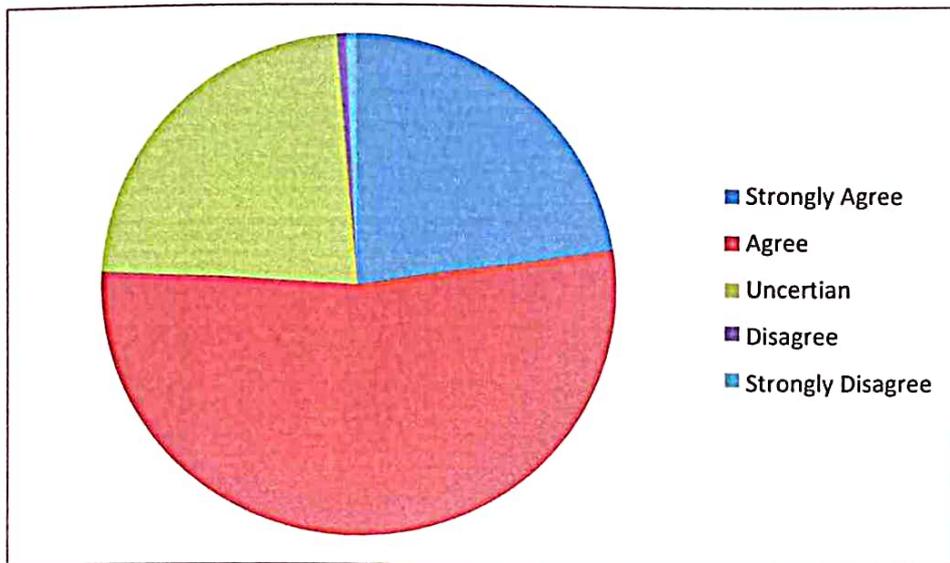

Mark your participation and learning experiences about Career Counseling and Placement Assistance.

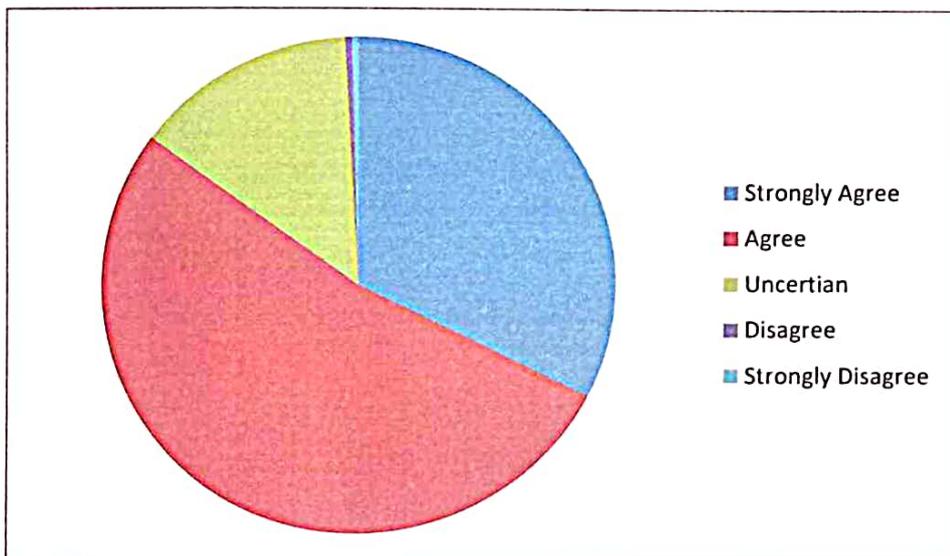

Mark your involvement and learning experiences with Spoken English Classes

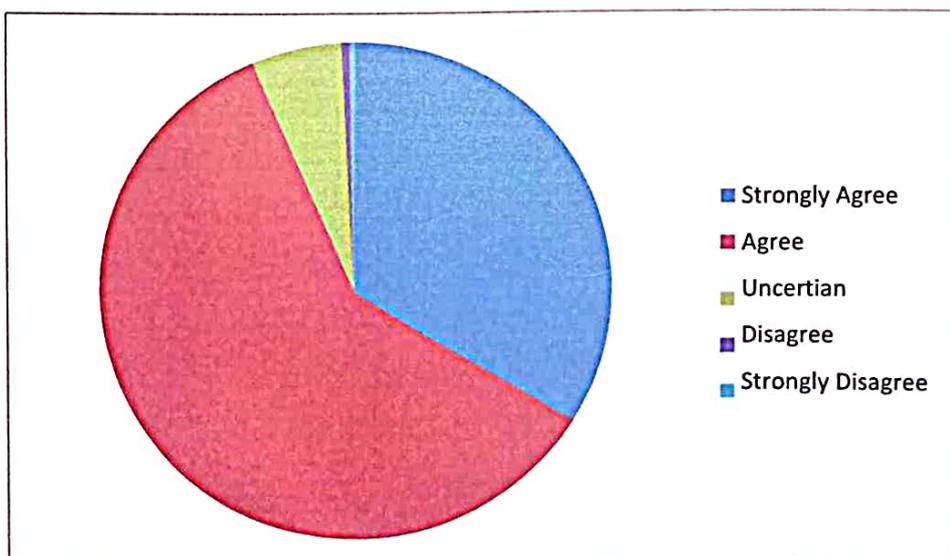

Mark your participation and learning experiences in Co-Curricular and Extra-Curricular activities

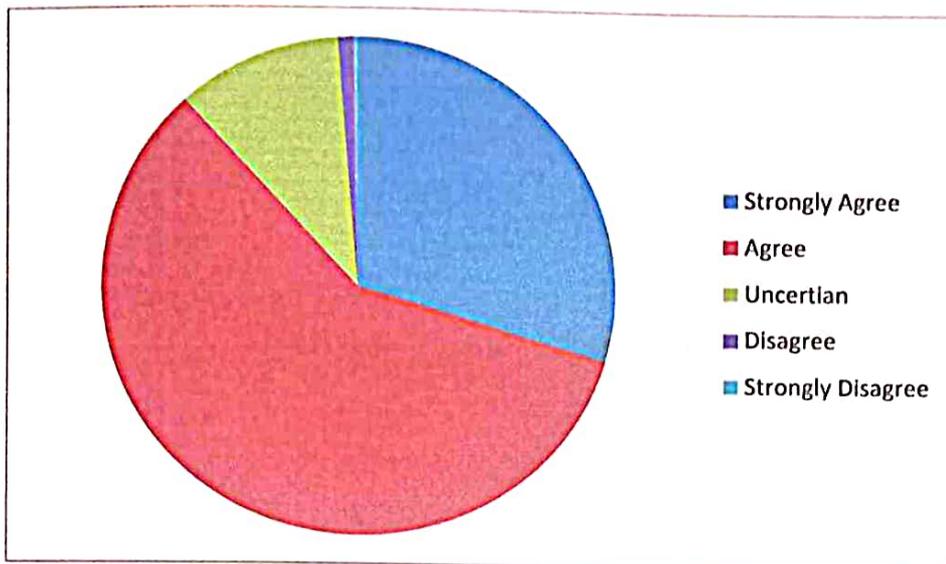

Mark your experience with Student Concerns Redressed by Office Staff.

Kindly share your level of satisfaction with the Library Staff.

What were your impressions of the College's awareness-raising Social Responsibility Programs (Gender Equality, Ban on Female Feticide, No to Domestic Violence, No Eve Teasing, Code of Conduct)?

Analysis report of Student's feedback on curriculum:

The feedback of students regarding the curriculum is taken in every academic session. The parameters include opinion with respect to the Lesson plan, learning values like knowledge, analytical and practical skills, depth and extent of coverage of the subject, transparency and biasness of evaluation process, use of innovative teaching methodologies, etc.

The feedback taken from students about the present syllabus and curriculum of the college reveals the following facts:

- 100% of the students are satisfied about the parameters like- Lesson plan, Usefulness of the program/course in building your career, To what extent the evaluation process was fair and unbiased, Coverage of entire syllabus in the evaluation process lesson plan and usefulness of the courses in building career, etc.
- Above 80% of the students agree that the curriculum adds learning values, is relevant and the evaluation process is unbiased as well as transparent.

Following suggestions were made by the students:

- Protocol for Startup establishment, Case studies and Surveys.
- Criteria for the startup and approaching a funding agency
- Discussion on the current hot topics in the Research and Industrial field.
